PRODUCT INFORMATION

SB-AW Canvas Tarpaulin Repair Tape

SB-AW The most efficient tape for the repair of small holes and rips on tarpaulin is tarpaulin tape. Tarpaulin tape has a backing that's made of poly fabric, a material that is very sturdy and able to hold together most types of tarpaulin materials. Also, tarpaulin tape has a high tolerance for humidity; therefore, even when the tarpaulin is rained on or used in wet applications, it can be able to endure and hold the tarpaulin together for long periods.
