
PRODUCT INFORMATION

SB-AW Outdoor Patio Umbrella Base Holder

SB-AW Outdoor Patio Umbrella Base Holders holding the Patio Umbrella securely and evenly in place, to ensure that the Patio Umbrella stands firm, even in the hardest winds.

This water/sand filled Outdoor Patio Umbrella Base Holders is made of durable HDPE material which is resistant to all weather elements and easy to maintain. It just needs to fill the water or sand inside the Outdoor Patio Umbrella Base Holders and then the umbrella can be held securely and evenly at your desired place.

Benefits

1. Simple design, convenient for water/sand injection
2. Simple to use, easy to understand
3. Advance material with extra durability
4. Solid product with reinforced fiber with Polyethylene
