

PRODUCT INFORMATION

SB-AW Solar L.E.D. Directional Signage

SB-AW solar L.E.D. directional signage has been widely used in the road construction and maintenance industry as one of the most important road safety products, especially during the night. SB-AW solar L.E.D. directional signages are easy to read even during the night, even from a distance, they can be clearly seen by the road user. SB-AW solar L.E.D. directional signage helps road users or even pedestrians to avoid dangerous areas ahead and reduce the accident rate.
